We are very happy that Shauna did a good job for us to achieve British Citizenship. We are happy that we found the right person because she is intelligent, hard-working & has lots of knowledge of Immigration Law. From the first day when we discussed our matter, we knew she was the right person to help! Now we have achieved our target and are citizens. She is a brilliant solicitor in Oracle Solicitors & we will advise friends & family to use your company.

Mr. Adrian Wickham

Pistachios In The Park

Mr Shan was a breath of fresh air. He advised me on a commercial issue which resulted in not only a moral win but the small man taking on and winning against the large corporation. Thank you Oracle Solicitors.

D&K Jewellers

Oracle Solicitors have provided us with a one-stop legal solution provider. Previously we have used numerous solicitors and they were not able to grasp and take hold of our complete needs. This was frustrating when you needed to use two different solicitors to litigate against one opponent. When you run a successful business there are times when you cannot wait days for an appointment and then more delays in receiving a response. This has changed significantly with Oracle Solicitors as we have them at the other end of the phone and they are ready to provide quick solutions to all types of legal problems. Oracle Solicitors have provided wide-ranging advice from Commercial Leases, Company Structure, Business Advice, Regulatory and Occupiers Liability case matters.
